## REQUEST FOR EXTENSION TO REPORT BACK ON THE RECEIPT OF SB90 REIMBURSEMENTS FROM THE STATE FOR PRE-2004 MANDATES

On February 10, 2015, on a motion by Supervisor Kuehl, the Board directed our office to report on the following items:

1. Evaluate potential reimbursements for SB90 Claims in the State Budget for fiscal year (FY) 2015-16, as well as the possibility of advance reimbursement in the current fiscal year;
2. Assess any potential reimbursements, in consultation with the Auditor-Controller, to determine the fund source of the original service provided and if the County provided Net County Cost (NCC) to backstop the related long-term receivable, if any; and,
3. Report to the Board within 30 days of the receipt of any SB90 reimbursements related to the above. The report would include a recommendation to deposit such reimbursements, to the extent feasible, into the Provisional Financing Uses (PFU) – Budget Uncertainties account.

On June 30, 2015, approximately \$109.4 million was received for the pre-2004 mandate claims. We are requesting a two (2) week extension to August 11, 2015, to further evaluate options to recommend to the Board.

If you have any questions, please contact Matthew McGloin, of my staff, at 213-974-1694.
